

Poster Presentation Guidelines

There are 4 poster sessions in Radar 2011 conference. Please find the session in which your paper is arranged and know the session time from *Radar 2011 Advanced Program*. The poster sessions are located in the Exhibition/Poster Room which is named Jinniu Hall. The time of poster sessions are as following:

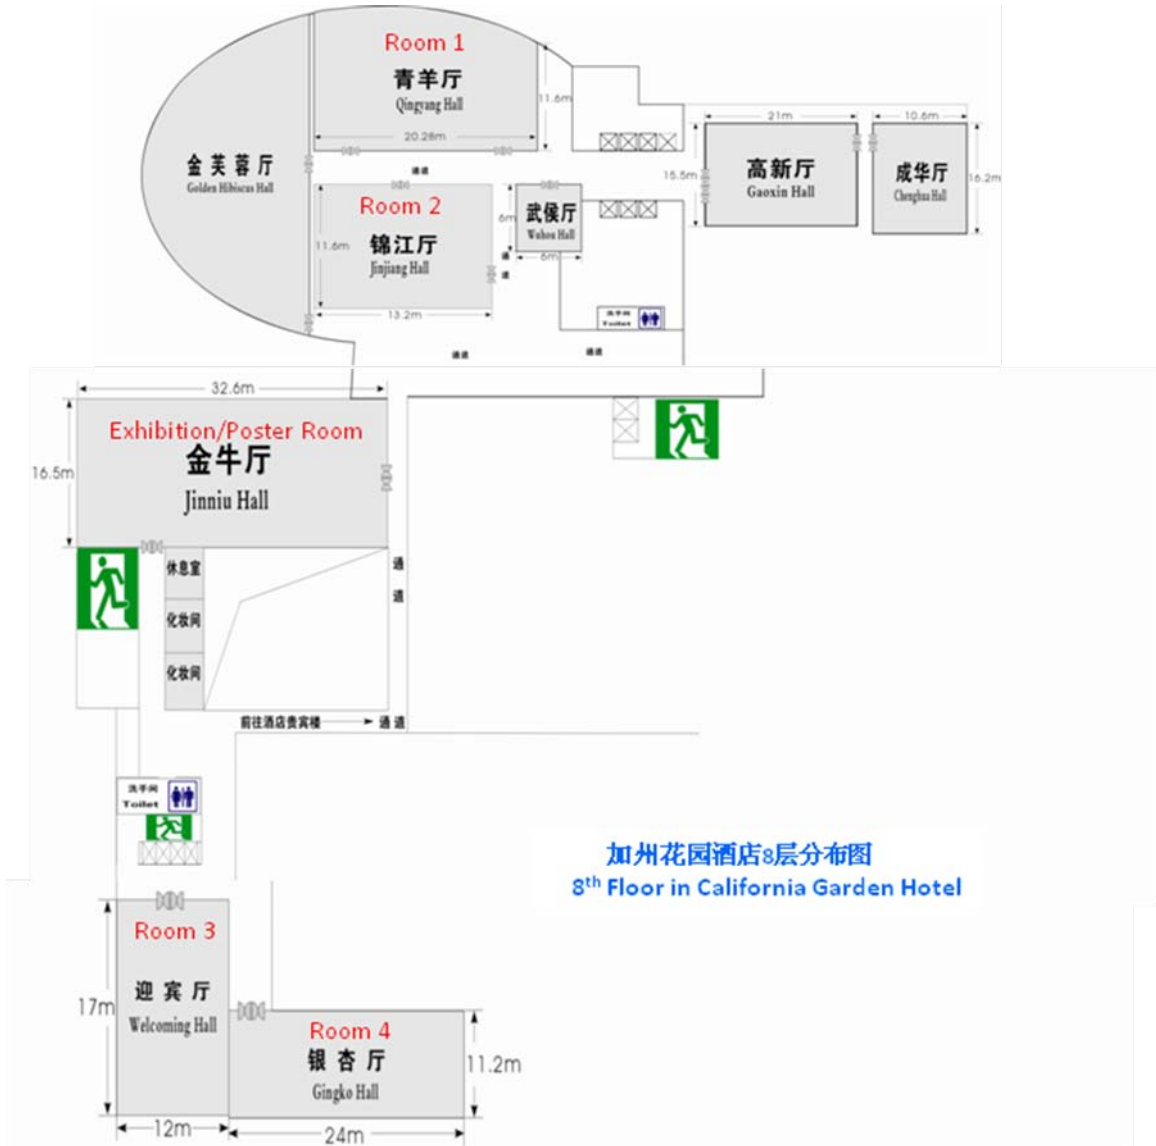

Poster Session 1 (P1):	Oct.25	16:00—18:00
Poster Session 2 (P2):	Oct.26	10:00—12:00
Poster Session 3 (P3):	Oct.26	16:00---18:00
Poster Session 4(P4):	Oct.27	10:00---12:00

The poster presentation material needs to be printed with colors on a large paper of 0.8 m width and 1.2m high. The paper title, author name and organization should be put on the top of the material. The text should include question introduction, solution, advantages and disadvantages, application and results. In order to improve the material it is possible to use a system of colors, such as purple, green, red, yellow, etc.. Please refer to the temple of poster presentation material.

The material copied directly from your paper which is not generally conform with the above instructions will be not accepted by the conference.

Authors are asked to come to the Exhibition/Poster Room prior to (20 minutes) your poster session. You need meet the Poster Session Chairs first. Then, you could find the poster board coded by your ID and put your poster presentation material on the poster board using push pins which will be provided in the room. You should stand near the poster board of your paper and discuss with the audience during the poster session.

All poster presenters are asked to be removed their material from the display board before leaving the Exhibition/Poster Room
